

As a charity, the EMI Music Sound Foundation aims to improve the opportunities available in music education to younger people. Therefore we are aware that when a student outgrows or no longer needs an instrument, they may wish to sell it in order to help fund a replacement. Below, for your information, is a list of suppliers that may purchase second-hand instruments.

Alternatively, beneficiaries who have benefitted from the Foundation may prefer to donate their instrument/proceeds of the instrument back to EMI MSF which would be much appreciated. For more information please contact Kate McKenny at [kate.mckenny@umusic.com](mailto:kate.mckenny@umusic.com)
